

**PCT**

Figure 1 consists of three schematic diagrams labeled (a), (b), and (c), showing a multi-layered structure. The structure is composed of four vertical layers, each represented by a hatched rectangular block. The top layer is labeled (a) and contains a horizontal line labeled 18. The middle layer is labeled (b) and contains a horizontal line labeled 18 and a shaded region labeled 8a. The bottom layer is labeled (c) and contains a horizontal line labeled 18 and a shaded region labeled 8b. Arrows labeled 20 point to the vertical boundaries between the layers. A dashed vertical arrow points from the top layer (a) down to the bottom layer (c).
